About Me

I am an Informatics student at UPN Veteran Jawa Timur with a strong interest in UI/UX Design and Frontend Development.

Focused on creating intuitive user interfaces and responsive, interactive websites. Proficient in tools such as Figma, Adobe XD, and currently learning frontend web development using HTML, CSS, JavaScript, and React.js.

Education

Bachelor of Informatics – UPN Veteran Jawa Timur

2023 – Present

GPA: 3.430

Focus of Interest: UI/UX Design & Frontend Development

Technical Skills

Figma | Wireframing & Prototyping | Usability Testing | HTML, CSS, JavaScript | React.js

Soft Skills

Problem Solving | Teamwork | Communication

Project

UI/UX Design for Mobile Home Workout Application (Fitness)

An app to help users exercise efficiently at home, featuring a clean interface and user-friendly experience.

 **Closing Statement**

Highly motivated to learn quickly and contribute to a professional design and development team. With a high commitment, I believe this internship opportunity will be a valuable experience and an excellent platform for my future development.
